3.2 The amount of the Commission that belong to the Partner based on the decision of FORTUNA SK is as follows:

Number of new Active Players per calendar month	The amount of the Commission from the Player's Net Income per calendar month	Period of payment of the Commission from the moment the conditions of the right to the commission have been fulfilled according to point 3.1 for each Player individually

51-60	38%	Maximum 4 years
61-70	38%	lifetime
71+	40%	lifetime

For the avoidance of doubt, an example of the calculation of the Commission for a calendar month is illustrated in the following cases:

- The Partner registered in the Partnership Programme on January 1, 2018.
- The Partner mediated a total of 15 new Active Players in the calendar month of September 2021. Based on this, for the month of September 2021, the Partner is entitled to a total Commission of 20% of the Player's Net Income generated during the month of September 2021 by each Player who has successfully registered via the link of the Partner on www.ifortuna.sk since September 1, 2020.
- The Partner mediated a total of 32 new Active Players in the calendar month of October 2021. Based on this, for the month of October 2021, the Partner is entitled to a total Commission of 30% of the Player's Net Income generated during the month of October 2021 by each Player who has successfully registered via the link of the Partner on www.ifortuna.sk since October 1, 2019.
- The Partner mediated a total of 77 new Active Players in the calendar month of November 2021. Based on this, for the month of November 2021, the Partner is entitled to a total Commission of 40% of the Player's Net Income generated during the month of November 2021 by each Player who has successfully registered via the link of the Partner on www.ifortuna.sk since January 1, 2018.
- The Partner mediated a total of 10 new Active Players in the calendar month December 2021. Based on this, for the month of December 2021, the Partner is entitled to a total Commission of 20% of the Player's Net Income generated during the month of December 2021 by each Player

who has successfully registered via the link of the Partner on www.ifortuna.sk since December 1, 2020.

FORTUNA SK is entitled to grant the Partner the right to Commission also for other activities of the Partner related to the participation in the Partnership Programme, in which case the conditions for obtaining the Commission will be stated either on the Partnership Programme Website or agreed with the Partner individually. FORTUNA SK is entitled unilaterally to change the rules for creating the right to the Commission and the Commission amount at any time. At the same time, FORTUNA SK reserves the right to reduce Partner's Commissions if the Partner reduces his efforts in promoting FORTUNA SK according to the Partnership Programme rules and/or mediates substantially less Players for FORTUNA SK than in the past.

3.3 If the Partner has demonstrably agreed on special arrangements with FORTUNA SK for the creation of entitlement to the Commission and its amount, the said agreement shall take precedence over the rules set forth in the present Business Terms and Conditions and/or on the Partnership Programme Website.

3.4 The Commission shall be calculated as a percentage of the Net Player Income for Players who have fulfilled all the conditions set out in Article 3.1 hereof.

3.5 In the case of a Partner established in the territory of the Slovak Republic, who is a value added tax ("VAT") payer, the Commission shall be calculated and stated in accordance with the rules set out in Article 3.4 of these Business Terms and Conditions, with the addition that the Commission shall be reduced by the amount corresponding to the current VAT rate from the Commission calculated in this way, taking into account the fact that FORTUNA SK is not a VAT payer and the VAT constitutes therefore a legitimate cost of FORTUNA SK related to the payment of the Commission. In the case of a Partner established in the territory of the Slovak Republic, who is not a VAT payer, the Commission shall be calculated and stated in accordance with the rules set out in Article

3.4 of these Business Terms and Conditions, provided that the Commission shall not be reduced by the amount corresponding to the current VAT rate.

3.6 In the case of a Partner established outside of the territory of the Slovak Republic (hereinafter referred to as the „Foreign Partner“), the Commission shall be calculated and stated in accordance with the rules stated in Article 3.4 of these Business Terms and Conditions, with the addition that the Commission shall be reduced by the amount corresponding to the current VAT rate from the Commission calculated in this way, with respect to the duty of FORTUNA SK to pay the VAT from the Commission in the Slovak Republic due to reverse charge. In this context, the company FORTUNA SK applies reverse charge VAT taxation (the tax is paid by the customer). The procedure set out in this article shall apply to all Foreign Partners regardless of whether or not the Foreign Partners are VAT payers that are based in a Member State of the European Union and a country outside the European Union.

3.7 If the Partner is a registered VAT payer, the Partner declares that they are not a tax debtor according to the applicable legislation. The Partner undertakes to ensure the

truthfulness of this declaration during the term of their participation in the Partnership Programme. If the Partner is included in the list of tax debtors maintained by the Financial Directorate of the Slovak Republic, the Partner is obliged to inform FORTUNA SK of the fact without delay.

3.8 If the Partner is registered as a tax debtor at the date of the taxable supply or becomes a tax debtor before the payment of a tax document, then FORTUNA SK is entitled to pay a portion of the payment according to the tax document corresponding to the value added tax directly to the account of the relevant tax administration according to the provisions of Article 69 par. 14 of the Act. 222/2004 Coll. on Value Added Tax, as amended. In that case, the total payment according to a tax document shall be reduced by the said amount.

3.9 Any Partner not established in the Slovak Republic declares that they have no permanent establishment in the Slovak Republic according to international tax regulations. If such an establishment is founded at any time during the Partner's participation in the Partnership Programme, the Partner undertakes to notify FORTUNA SK of the fact, no later than 5 days after the establishment of the permanent establishment. Starting from the establishment of a permanent establishment, FORTUNA SK is entitled to deduct a withholding tax, if any, from the Commission or secure the tax if the tax applies to the Commission due to the establishment of a permanent establishment according to Slovak or international tax regulations. If the Partner breaches its obligation to notify the establishment of a permanent establishment, the Partner shall be liable to FORTUNA SK

for the damage incurred. In this context, FORTUNA SK emphasises to the Partner that, according to the interpretation of the Slovak Financial Administration, a permanent establishment is established, e.g. when hardware (a computer server) is located in the Slovak Republic.

4. COMMISSION PAYMENT

4.1 FORTUNA SK shall calculate the amount of the Commission which is due to the Partner in connection with the fulfilment of the Partnership Programme conditions, each time after the end of each calendar month of the Partner's participation in the Partnership Programme. The total amount of the Commission for the respective month shall be stated in a statement FORTUNA SK will make available to the Partner in the secure section of the Partnership Programme Website, no later than fourteen (14) days after the end of the respective calendar month in which the statement is made. FORTUNA SK does not provide the Partner with any guarantee in connection with the calculation of the Commission.

4.2 The Partner's right to the payment of the Commission is created when the amount of the Commission exceeds EUR 50 (in words: Fifty Euros). The Commission shall be paid to the Partner on the basis of a tax document (invoice) prepared by the Partner after entering the relevant data through the secure section of the Partnership Programme Website between the 20th and the 28th day of a month following the month for which the Commission is paid. The due date of the tax document (invoice) is sixty (60) days from the date of its demonstrable dispatch to

FORTUNA SK, to the e-mail address skinvoice@feg.eu. If the Partner is a Slovak entity who is a VAT payer, the Commission shall be paid to the Partner only to a registered bank account that has been published in accordance with the applicable law, otherwise the Commission shall be suspended until this obligation is performed.

4.3 When making a tax document (invoice), the Partner is always obliged to use the same Partner identification number as the one used when the Partner enrolled in the Partnership Programme. Any change of the identification number is subject to prior consent by FORTUNA SK, which may be withheld without giving any reason whatsoever. In the event that the Partner does not have the information required for issuing a tax document (invoice) in its profile on the Partnership Programme Website, in particular, the identification number, the payment of the Commission shall be suspended until all specified data have been completed.

4.4 If the Partner disagrees with the amount of the Commission calculated by FORTUNA SK, the Partner is obliged to inform FORTUNA SK of the same within ten (10) days of the disclosure of a statement to the Partner in the secure section of the Partnership Programme Website, electronically at the email address of the responsible employee – the affiliate manager, which is available within the secure section of the Partnership Programme Website, and the Partner is also obliged to provide any reasons for which the calculation of the Commission is disputed. If the Partner does not dispute the amount of the Commission within the period specified in this Article, it appears that the Partner agrees with the

amount of the Commission calculated in this way.

4.5 In the event of termination of the Partner's participation in the Partnership Programme for any reason, the Partner is only entitled to the Commission earned at the date of termination of the Partner's participation in the Partnership Programme. For the avoidance of any doubt, upon termination of the Partner's participation in the Partnership Programme, the Partner loses the right to any additional Commission.

4.6 FORTUNA SK is entitled to withhold the payment of the final Commission for the Partner which is paid in connection with the termination of the Partner's participation in the Partnership Programme for up to ninety (90) days from the date of termination of the Partner's Partnership Programme so that the payment of the correct Commission is ensured. If Partner's participation in the Partnership Programme is terminated by FORTUNA SK with respect to Partner's breach of obligations stipulated in the present Business Terms and Conditions, FORTUNA SK is entitled to withhold Partner's Commissions for up to ninety (90) days from the date of termination of the Partner's Partnership Programme as a result of a breach of obligations, in order to secure any claims or compensation of FORTUNA SK arising from the breach of these Business Terms and Conditions. FORTUNA SK is entitled not to pay such Commission.

4.7 If any error occurs in the calculation of the Commission, FORTUNA SK reserves the right to adjust the incorrectly calculated Commission, and the incorrectly calculated Commission shall be reflected in the next statement.

4.8 In the event of a reasonable suspicion of unlawful and/or fraudulent conduct or behaviour by the Partner or Players registered through the Partner as per Article 3.1 hereof, FORTUNA SK shall be entitled to suspend the payment of the Commission until all doubts have been removed, which led to the suspension of the Commission. FORTUNA SK is entitled not to pay such a Commission.

4.9 The entitlement to the payment of the Commission shall cease to exist if the Partner has become involved or has become aware of any act concerning the www.ifortuna.sk website traffic and failed to notify this fact to FORTUNA SK no later than three (3) days, and/or learned of the registration of Players on the website, which may reasonably be presumed to be fraud or an act contradicting the legal regulations or these Business Terms and Conditions and failed to notify this fact to FORTUNA SK within five (5) days at the latest.

4.10 At the request of FORTUNA SK, the Partner is obliged to return to FORTUNA SK all funds paid to the Partner as part of the Commission for transactions generated by fraudulent or falsified means. This is without prejudice to the claim for indemnification, including the lost profits of FORTUNA SK.

4.11 A Commission amount that has not been withdrawn by the Partner within 4 calendar years since the day this Commission amount has been eligible to be withdrawn via the secure section of the Partnership Programme Website, will be forfeited in accordance with the provisions of the Law 513/1991 Coll. - Commercial Code. The Partner is going to be notified about this fact 30 days in advance. If the Partner does not respond to this notification within the next 30 days after it

was sent to the e-mail box, the specified amount, which is the subject of the notification, will be forfeited.

5. RIGHTS AND OBLIGATIONS OF FORTUNA

5.1 FORTUNA SK shall assign to each Player who has been registered in the manner specified in Article 3.1 of these Business Terms and Conditions a unique identification code so that FORTUNA SK can track, in particular, the total turnover of the relevant Players for the relevant period. FORTUNA SK shall ensure the monitoring and recording of the activities of Players mediated by the Partner.

5.2 Any and all costs related to the production of FORTUNA SK marketing materials that will be used by the Partner in connection with the participation in the Partnership Programme shall be covered and paid by FORTUNA SK. In this context, FORTUNA SK is entitled to unilaterally modify or change all such materials at any time.
